

Government of the Republic of Trinidad and Tobago

MINISTRY OF EDUCATION

ECCE Activity Pack

Week 11

Universal Children's Day is celebrated annually on 20th November. The goal of Universal Children's day is to improve child welfare worldwide, promote and celebrate children's rights and promote togetherness and awareness amongst all children.

Initially launched in 1954, Universal Children's day has seen some milestone events in the field of child welfare. Marking the anniversary of the dates when the UN General assembly adopted both the declaration and convention of children's rights. The convention sets out a number of children's rights such as the right to be protected from violence and discrimination and the right to life, health and education.

Today, the ECCE Division celebrates with the children of Trinidad and Tobago and those around the world.

Activities for three (3) year old

Monday

Making a Busy Board

- Collect some recyclable materials
- Stick materials on board
- Child has to manipulate all the materials: unzip, turn, fasten etc.

Physical Activity: Mini Golf Game

- Using a large cardboard box cut out hole and design with character of choice
- Child will stand at a distance from the box and use a broom handle/ stick to guide a ball into the hole

Tuesday

Assembling a Pop-Up Book

- Fold all the paper you need for the story pages in half
- Cut two parallel slits in the centre of the paper
- Open the paper and gently pull the tab forward
- Colour in the background for each page
- Stick story illustrations onto the tabs
- Make the book cover by folding construction paper in half and gluing to the end of the pages

Physical Activity: Balancing the Book

- Draw a straight line on the ground
- Child chooses his/her favourite book and place on head
- Child walks on the line while balancing the book

Wednesday

Making a model of your favourite toy

- Collect recyclable materials
- Assemble materials to create a specific toy

Physical Activity: Feed the Shark

- Create a model as seen in the picture
- Call out letters and allow the child to run, find it and feed the shark

Thursday

Building a bottle Water fall

- Using six large plastic bottles, follow the pattern to create a water fountain
- Set up a water-filling station and add cups, buckets and containers

Physical Activity: Monster Toss

- Using two plastic bottles (5 litres)
- Cut out mouth and create monster of your choice
- Crumple pieces of paper or aluminium foil into balls
- Toss balls into the monster's mouth
- Count how many balls are in the monster

Friday

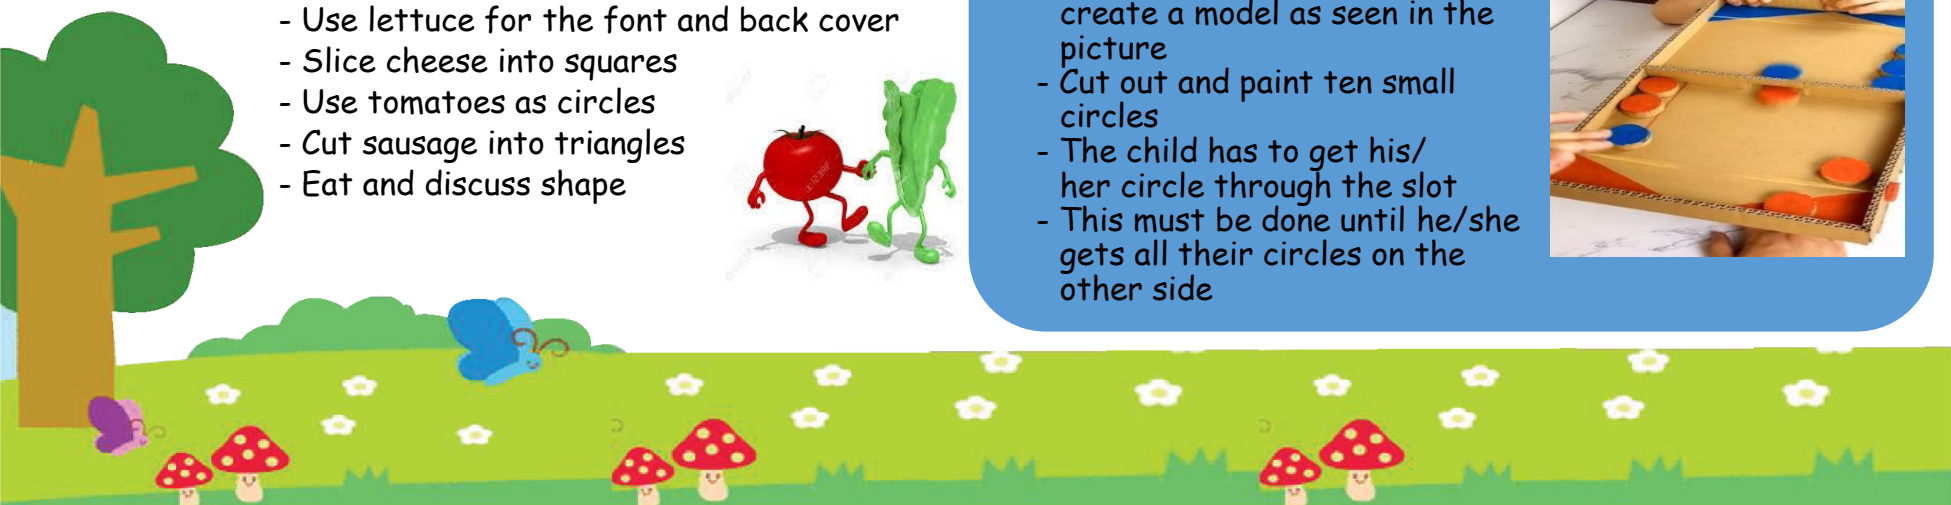

Creating an Edible Shape Book

- Use lettuce for the front and back cover
- Slice cheese into squares
- Use tomatoes as circles
- Cut sausage into triangles
- Eat and discuss shape

Physical Activity: Finger/Air Hockey

- Using cardboard or a pizza box create a model as seen in the picture
- Cut out and paint ten small circles
- The child has to get his/her circle through the slot
- This must be done until he/she gets all their circles on the other side

Activities for four (4) year old

Monday
