## Infants Activity Pack

Week 2-Term 2

When the Covid-19 pandemic hit the world, schools had to close. Students and teachers had no choice but to switch to online learning. Therefore, it is important to **teach our students how to behave in an online space.**

## Netiquette: )

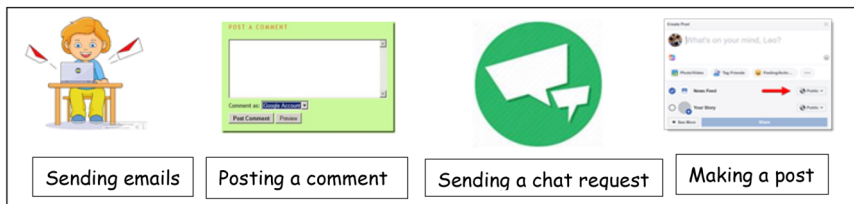

Netiquette is made-up of two words:

Netiquette = Internet + Etiquette

### What is Netiquette?

Netiquette is **good behaviour** while **communicating online**. It is about how people **behave and treat one another** when using the **online environment**.

Netiquette applies when:

### Why is Netiquette important?

The **rules for an online environment** are different from those that apply when communicating in person.

There are expected ways for how students should behave during online classes.

Netiquette:

- provides **guidelines** for users
- suggests **acceptable** online behaviour
- prevents **disrespect**
- protects users from **cyberbullying**

### Who is a cyberbully?

A **cyberbully** is someone who uses a device to send messages to another person that cause them **fear, anxiety and feelings of hurt**. This can be **harmful to their health and cause them to feel bad about themselves.**

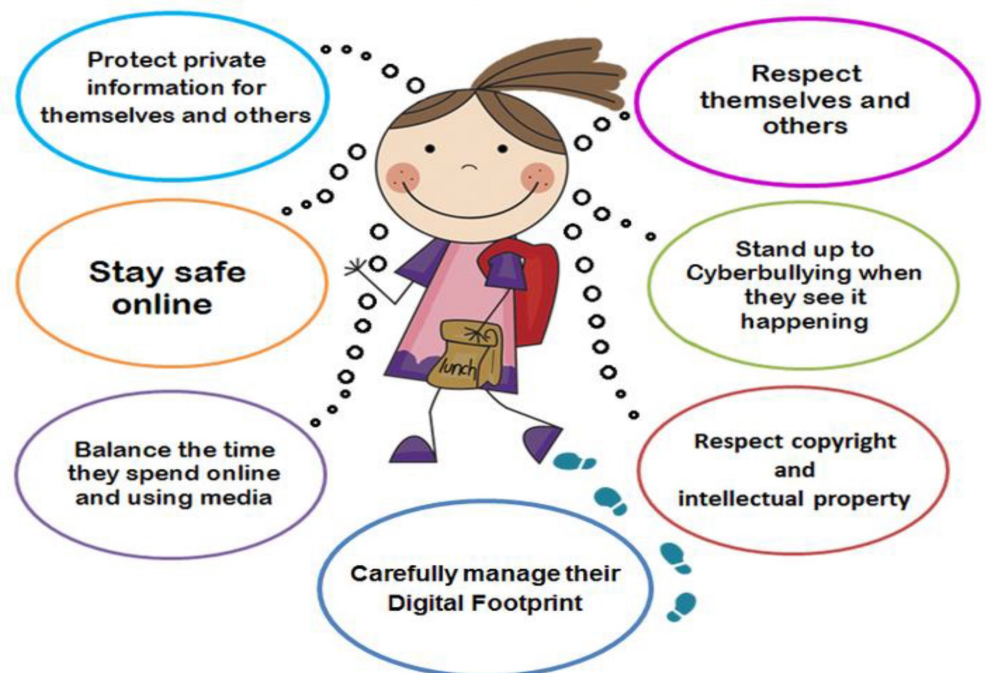

Remember, **listening and replying** to what **others have to say** is **very important** in the **online environment**.

Netiquette rules **build trust** and **help create a safe environment** where all views are **valued**.

**Digital citizens use technology to communicate. A digital citizen knows how to behave responsibly online.**

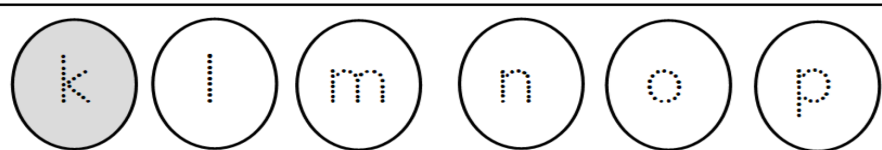

## All Good Digital Citizens:

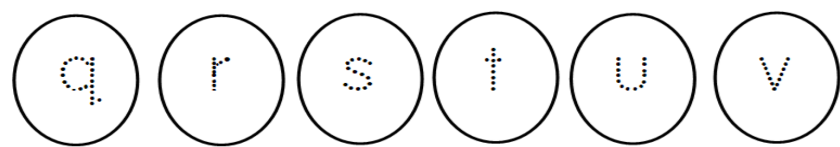

### Revision of Letters

### Infant 1

Draw lines to match the letters. Trace the letters and colour the shapes

o m k p l n

r q u t v s

### Using Sight Words

Complete the sentences by choosing the correct word from the box.

He She We It You

1. You are my friend.

2. \_\_\_\_\_ has a pet.

3. \_\_\_\_\_ can run.

4. \_\_\_\_\_ is a book bag.

5. \_\_\_\_\_ are playing.

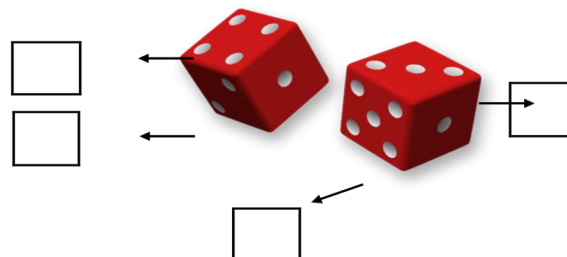

### How many do I see?

Look at the different ways **the same number** of dots are shown.

Draw another way to show **the same number** of dots in each set.

2 two				
3 three				
4 four				
5 five				

Write the number of dots that you see on the sides of the dice below.

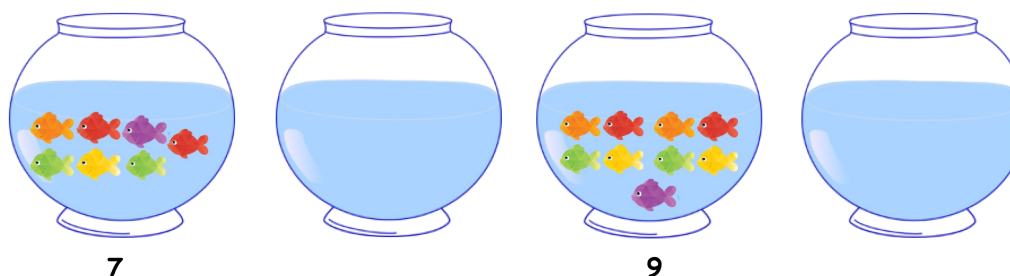

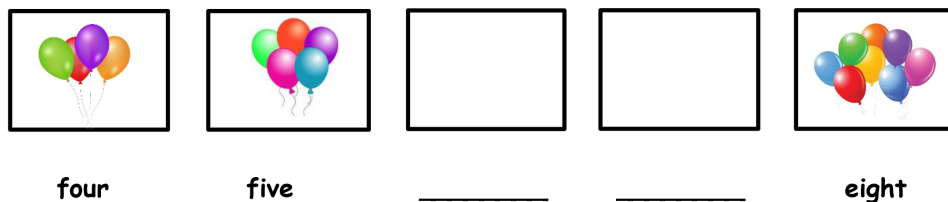

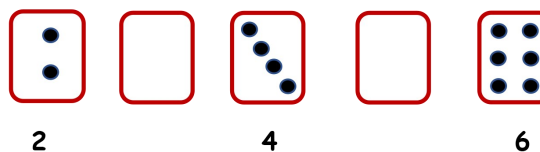

### Ordering Numbers from 1 to 10

Count the flowers. Then say each number **in order** from 1 to 10.

1 one	2 two	3 three	4 four	5 five	6 six	7 seven	8 eight	9 nine	10 ten

Write the missing **numerals** or **number names** for the **order** shown.  
Draw and colour the missing objects.

### Capital letters and question marks

Sentences start with a capital letter. When we ask a question, the sentence ends with a question mark.

Begin each sentence with a **capital letter** and put a **question mark** at the end.

E.g. what is your name  
What is your name?

1. do you wash your hands

2. when do you wash your hands

3. can you open the tap

4. have you used the soap

### Sequencing

Look at the pictures. Write **1, 2, 3** or **4** in the boxes to put the story in order.

It is raining this morning.

Anna puts on her boots.

It is not raining now.

Anna is ready to go outside.

Tell the story to someone. Read the questions and say the answers.

- What was the weather like when Anna first opened the door?
- Why did Anna put on her raincoat and boots?
- How do you think she felt when she saw the sun shining?
- Give a reason for your answer.

### Infant 2

#### Addition

The answers to the problems below uncover a hidden Christmas image.

Each total has a special colour:

5 - Brown

10 - Red

15 - White

17 - Yellow

20 - Green

Fill in the colours to see what the image reveals. Here is an example:

$$5 + 5 = 10$$

$7 + 8 =$	$13 + 2 =$	$14 + 3 =$	$6 + 9 =$	$11 + 4 =$
$1 + 14 =$	$13 + 7 =$	$5 + 5 =$	$10 + 10 =$	$5 + 10 =$
$15 + 0 =$	$1 + 19 =$	$6 + 14 =$	$4 + 6 =$	$8 + 7 =$
$12 + 8 =$	$8 + 2 =$	$2 + 18 =$	$15 + 5 =$	$10 + 0 =$
$4 + 16 =$	$11 + 9 =$	$9 + 1 =$	$20 + 0 =$	$3 + 17 =$
$10 + 5 =$	$9 + 6 =$	$3 + 2 =$	$14 + 1 =$	$2 + 13 =$

### Comparing and Ordering Length

Write 1, 2, 3 or 4 in each box to order the objects by length. Use 1 for the object with the shortest length and 4 for the object with the longest length.

	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>

### Let us look at some common rules when attending school online:

1. **Pay attention.** This can be hard since we are not directly in front of our teacher like in a physical classroom. Try to avoid being distracted by other classmates or playing online games.
2. Be **part of the class** by asking or answering questions. Teachers like when students do this. It shows that you are interested and would like to understand what is being taught.

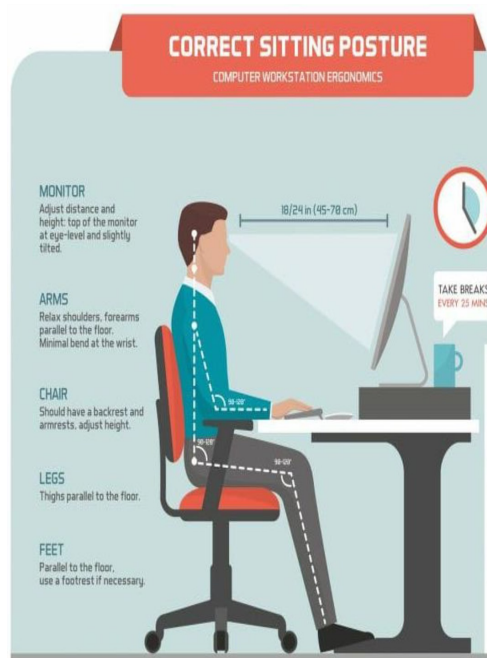

3. **Be on time.** Log in at least 10 to 15 minutes before class begins.

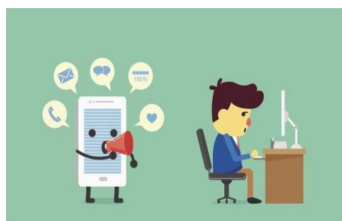

4. **Sit properly.** Sometimes, we start off by sitting properly but by the end of the school day, we begin to slouch. Bad posture leads to many health issues, like neck pain and back pain.

This image shows the **correct sitting posture**:

- **Head**- eyes level with top of monitor
- **Arms**- shoulders down elbows close to body
- **Chair** - sit back in chair
- **Legs**- thighs parallel to the floor
- **Feet**- flat on floor

5. **Keep your workspace neat and tidy** in the event your teacher asks you to turn on your camera.

**Quiet Zone**

6. **Let those at home know when you are class.** You can make a simple sign to remind them.

7. Be **respectful to your teachers and classmates.** Remember to use words like **please, thank you and excuse me.** Do not 'talk over' another person.

8. Use **Caps Lock keyboard feature** properly when you are writing or sending a message. Avoid using all capital letters. In an online environment, this says you are **angry** and **shouting** at the person you are writing to.

### Before You Post **THINK**

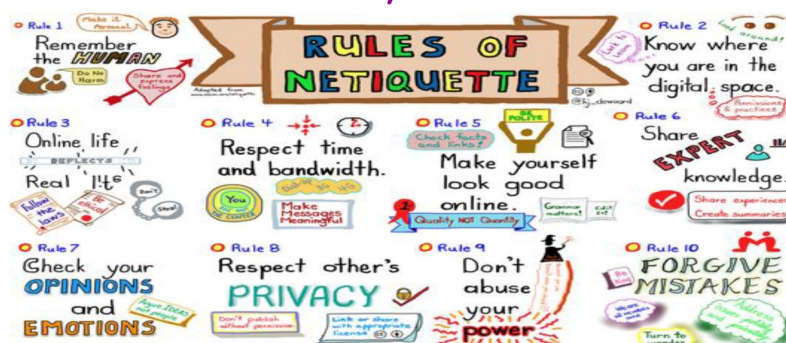

9. When **writing a message**, ask yourself these questions to ensure you are being polite and respectful.

10. It is important to treat others the way we want to be treated. This is "**The Golden Rule**".

By following these simple **rules**, we can be **better students** in class. These rules also **help us to make and keep friends** in this new learning space.

### Activity

Let us make a poster about how to behave online. Call it "**My Netiquette Board**". Using the **netiquette rules**, **design** your own **poster** to help you remember what is expected of you when you are online. You can also make a poster to remind you of what is expected when you are attending online classes.

### Rules for online classes:

- Pay attention in class
- Participate in class
- Be on time
- Keep your workspace neat and tidy
- Be respectful when writing a message
- Let those at home know when you are in class
- Respect your teacher and classmates
- Use Caps Lock keyboard feature properly
- Think before you post
- Remember the Golden Rule

**Thank You**

A heartfelt thanks to NALIS, family and friends who continue to support us at the Ministry of Education as we ensure that our students and teachers have additional resources during this pandemic.
