

### **Vacation Revision Programme 2022**

The Vacation Revision Programme 2022 will run for four (4) weeks during the period of **July 18 to August 12, 2022**, at selected secondary schools in a face-to-face format. An emphasis will be placed on small class sizes in Mathematics and English Language Arts as well as other activities. These classes will be conducted between **9:00 am to 3:00 pm** daily. Parents of students requiring these revision classes will be specifically advised that their child is expected to register and attend a school closest to their home to minimise transportation costs. School uniforms will not be required for these classes but appropriate attire as per school entry rules are advised. Attendance will be monitored by the School Supervision and Management Division while psycho-social support for both students and parents will be offered by the Student Support Services Division. **The National Schools Dietary Services Limited will provide both breakfast and lunch meals for the students attending the Vacation Revision Programme 2022.**

**Students with a Composite Standard Score (weighted) of less than 208.655 (less than 50%) are encouraged to apply.**
